

You are not alone

Almighty God,
Father of all mercies and giver of
all comfort:
deal graciously, we pray, with
those who mourn,
that, casting all their care on you,
they may know the consolation of
your love;
through Jesus Christ our Lord. Al-
mighty God,
Father of all mercies and giver of
all comfort:
deal graciously, we pray, with
those who mourn,
that, casting all their care on you,
they may know the consolation of
your love;
through Jesus Christ our Lord.

Amen.

Celebration of Life is as Unique as Your Life

Life is full of opportunities to show someone we love them. One such opportunity is the celebration of life or memorial service. Such a loving event celebrates the choices they made, the relationship you shared, and honours the memory of your loved one.

Funeral Guidelines

The family meet with the minister to discuss and plan the celebration of life service. This will help the minister to discover the life story of the person and bring awareness of any pastoral care that may be needed for any family members.

The selection of music, power point photographs and the technical requirements will be made in consultation with the minister, the pianist and the technical operator.

The present minister will perform the celebration of life service. At the family's request another minister can share some of the duties.
